

## **Native Plant Technician**

### **Goal of Position**

To help maintain native plant gardens located around the nature center grounds.

### **Sample Activities**

1. Maintain native gardens through weeding and irrigation and supplemental planting when needed.

### **Timeframe**

Length of commitment: no time frame

Estimated total hours: variable, 3-6 hours a week

Scheduling: some work will be coordinated, and some work will be on your own. Typically Tues mornings are “weeding” mornings at the Nature Center.

### **Worksite**

Janet Huckabee Arkansas River Valley Nature Center

### **Qualifications Sought**

1. Willingness to work hard, and in the elements
2. Gardening skill preferred
3. Ability to follow directions
4. Transportation is required

### **Benefits**

1. Long term improvement of the nature center site
2. Improvement of native plant habitat
3. Personal satisfaction of creating native plant gardens that will provide habitat for wildlife and aesthetics for nature center visitors
